Patriotic Jewelry Update

Three Cheers For The Red, White, And Blue

Memorial Day and the 4th of July are both traditional occasions to proudly wear jewelry that displays our national colors. But patriotic jewelry is always in style and is always fashionable any time of the year and with any kind of outfit.

The red, white, and blue colors are bright and cheerful, especially when combined with yellow karat gold or brilliant white metals such as platinum, white gold, or sterling silver.

Patriotic jewelry is available in many attractive designs for both men and

women. It also makes a memorable gift for family members or friends on all kinds of special occasions. Designs that display national pride include American flags, stars, eagles, garlands, the Liberty Bell, and the Statue of Liberty.

Choose from red, white, and blue pins, rings, necklaces, earrings, pendants, bracelets, belt buckles, charms, tie tacks, lockets and watches. Many dramatic tri-color jewelry pieces are set with precious gems or glow with brilliant enamels. But most patriotic jewelry is available at very modest cost.
